

THOSE LASHES THOUGH

Since we're not wearing much makeup these days with our face masks, why not draw some attention to your eyes? We have the ultimate answer for longer, thicker, more beautiful eyelashes. Unlike traditional false lashes, eyelash flares or implants, Xtreme Eyelash Extensions are safe, comfortable to wear & never applied to your skin or eyelid, only to your natural lashes. With routine touchups every two to four weeks, you can have amazing eyelashes indefinitely!

A back facial is a relaxing treatment that begins with a steamy deep pore cleansing, gentle exfoliation & extraction of impurities, if necessary. Finish this rejuvenating session with a 60min full body Swedish massage & a hydrating healing mask for your back.
